NOTICE OF SPECIAL MEETING OF IOTAC

16 March 1956 at 10:00 a.m.  
Room 1521, Barton Hall

1. The Chairman has called a special meeting to consider and agree upon the Agency comments on the draft Progress Report by ODM on NSC-169 (excepting paragraphs 2 and 8a, b, and c which are reported on by OCB). The draft report is being circulated separately through Top Secret control channels.
2. For the purposes of discussion at the meeting, the Secretary has prepared a rough draft of comments based upon limited discussion with two or three Committee members. A copy of this will be attached to the ODM draft report for use at the meeting.
3. Unless other business appears urgent, the agenda of the special meeting will be limited to the foregoing subject.
